

# Halloween Lesson plan:

Task 1: Show Halloween Film Trailers or a Halloween music trivia quiz like the one below and allow students to guess what the film is, or which film the music is from. Pause at the end of each song extract to avoid revealing the answer too soon!

Task 2: Get the students to read the vocabulary and explain any words they don't understand. (Show pictures on the board if necessary.) Get them to explain to you what each of the three topics are, then get them to sort the words into the three bubbles. Remind the students that not all verbs need 'to' sometimes they can end in '-ing'.

Task 3: Mix and match the films synopsis on the paper.
